One reservation point is equivalent to one allotted vacation point. Reservation points have no other relationship with, or comparison to, vacation points and are established for convenience of reference only. Reservation points are per person, based on double occupancy and apply to 1st and 2nd passenger unless otherwise noted. Some itineraries have minimum age requirements—call for more information. Airfare to and from destination is not included and travel time necessary to reach a given destination is not included in calculating trip lengths. Certain trips may begin early on the first day of the itinerary and may end late on the last day. Members should contact Member Services or visit <https://www.nationalgeographic.com/expeditions/trip-types/river/> for additional information, minimum age requirements, including trip components and dates, details about overnight accommodations that may be required before and after itinerary dates, gratuities, additional surcharges, etc. Membership Extras are available with eligible ownership interests. General terms and conditions of this program are in the "Membership Extras Acknowledgment and Disclosure Statement." Program terms and conditions are subject to change without notice.

- A non-refundable \$95 transaction fee applies per confirmed National Geographic River Cruise reservation. If payment is not received at the time of confirmation, *Disney Vacation Club®* reserves the right to cancel the reservation.
- National Geographic River Cruise reservations must be made prior to the last 4 months of your Use Year for trips during that Use Year.
- Modifying the amount of travelers on a National Geographic River Cruise may result in an increase, or decrease in per person pricing and the travelling party will be responsible to pay any increases in trip cost at the time of modification.

All exchanges and reservations are subject to availability, and National Geographic River Cruise itineraries are subject to cancellation or modification.
