Provided DVD timely performs its obligations under the Maintenance/Subsidy Agreement, DVD's payments thereunder to the Association shall satisfy fully its obligation to pay assessments attributable to each Ownership Interest owned by DVD. However, any expenses incurred during the calendar year resulting from a natural disaster or an act of God and/or required repair or replacement of damage to the Condominium, which are not covered by insurance proceeds from the insurance maintained by the Association, will be assessed against all Owners on the date of such natural disaster, act of God or other damage, or their successors or assigns, including DVD as to its unsold Ownership Interest. 2. Shared Facilities - The use of certain facilities, including without limitation, hotel check-in facility, back office facilities, telephone equipment rooms, etc., are being provided to the Resort pursuant to the terms of either the Property Management Agreement or the Master Declaration as a shared area, the cost of operating and maintaining such facilities being apportioned among its users including Owners. If the Resort was required to provide such facilities within the Condominium Property and solely for the use and benefit of the Owners, the cost of operating the Condominium Property would increase.
3. Books and Records - The books and records for the Association are maintained at: 215 Celebration Place, Suite 300, Celebration, Florida 34747. The person responsible for the upkeep and custodianship of the books and records of the Association is the Treasurer of the Association, (407) 566-3800.
4. Related Party Transactions - DVD is a Florida corporation and a related entity of The Walt Disney Company ("TWDC"), a Delaware corporation. DVD acquired a term-for-years interest in certain property, located in Anaheim, California. DVD developed the Condominium on the property, and sells ownership interests in Condominium units, as part of the vacation ownership plan. DVD developed the Condominium under the terms of a ground lease by and between Walt Disney Parks and Resorts U.S., Inc. ("WDPR"), a Florida corporation (formerly Walt Disney World Co.), its successors and assigns, as successor by merger to Walt Disney World Hospitality & Recreation Corporation, ("WDWHRC"), and DVD. WDPR is also a subsidiary of TWDC. The terms of the ground lease permit DVD to develop certain real property in Orange County, California, for the purpose of offering prospective purchasers ownership interests in Condominium units as part of the vacation ownership plan. Unless otherwise extended, the ground lease will expire on January 31, 2074 and vest to the benefit of WDPR.

Certain directors or officers of DVD or Disney Vacation Club Management LLC ("DVCM") serve on the Board or as officers of the Association. Certain directors or officers of the Association are also employees of TWDC or its affiliates.

During the period ended December 31, 2023, DVD annual dues paid to the Association were \$1,191,452.

As of December 31, 2023, the amount due from DVD of \$125,553 is primarily related to annual dues assessments owed on unsold points offset by real estate taxes paid on behalf of the Association by DVD.

DVCM, a Florida limited liability company, is the manager of the Association and is also a subsidiary of TWDC.

Management fees payable to DVCM are 12 percent of the total annual operating and reserve budget exclusive of real estate taxes, transportation fees, and the management fee, itself. Management fees incurred during the period ended December 31, 2023 were \$236,630.

DVCM has an agreement with the Association whereby DVCM may operate a resort hotel with respect to the rental of unreserved accommodations in the Condominium. Proceeds, resulting from the rental of unreserved accommodations, are retained by the Association up to an amount equal to 2 ½ percent of the adjusted operating and capital reserves budget, as defined, in each calendar year, as breakage revenue. During the period ended December 31, 2023, the Association received \$56,635 in breakage revenue.

Substantially all operating expenses have been allocated to the Association from DVCM, and certain operating expenses have been rendered by or incurred through the TWDC entities.

Amounts due to or from DVCM are payable in full and on demand. As of December 31, 2023, the amount due to DVCM of \$889,952 related to allocable expenses, net of annual dues collected but not yet remitted to the Association.

5. Management Agreement - The Association has a five-year management agreement ending September 28, 2028 with DVCM. Thereafter, the management agreement automatically renews for successive periods of three (3) years each, upon its scheduled expiration, unless either party gives the other written notice of nonrenewal, as stipulated in the agreement. DVCM provides on-site management and maintenance services, and off-site administrative and accounting services.

Pursuant to the management agreement, DVCM has been delegated the authority by the Association to provide all services, through employees and experts retained by it, incidental to the management and operation of the Condominium. In connection therewith, substantially all operating expenses have been allocated to the Association from DVCM. However, certain operating expenses may be incurred through other TWDC entities.

6. Vacation Homes - Wherever used throughout this budget, the term Vacation Home does not include studio or one bedroom accommodations that comprise part of a two bedroom lockoff Vacation Home.

Estimated Ad Valorem Taxes for January 1, 2025 through December 31, 2025

The amount of ad valorem taxes assessed against the Condominium as a whole will be determined by the Orange County Assessor. The estimated ad valorem tax assessments to be included on your 2025 Annual Dues billing statement will be \$1.0337 per Vacation Point. This is DVCM's best estimate of the actual taxes, which will be assessed for the tax year 2025. DVCM does not certify this ad valorem tax estimate. Each Owner is responsible for his or her per Vacation Point share of the actual tax bill received each year from the tax collector's office. Any difference between the tax estimate and actual taxes paid on the Owner's behalf will be applied towards the Owner's subsequent year's tax assessment. Section 2 of Article XIII A of the California Constitution (enacted by Proposition 13) establishes an acquisition-value assessment system. It provides that real property is to be assessed at its value when acquired through a change of ownership or by new construction. Thereafter, increases in the taxable value of property are limited. As a result, similar properties may have different taxable values. However, the Condominium Documents permit the Association to allocate Ad Valorem Taxes in any equitable manner, including in the same manner in which Common Expenses are allocated. For tax year 2025, the ad valorem taxes are allocated in the same manner as Common Expenses are allocated (on a per Vacation Point basis). In the future, ad valorem tax assessments may be specifically assessed against each Ownership Interests which would result in Owners paying different amounts of taxes depending on when Owners purchased their Ownership Interest.

2025 Estimated Annual Dues Assessment

The estimated Annual Dues for the year January 1, 2025 through December 31, 2025 are \$9.8207 per Vacation Point, which is comprised of the estimated Annual Operating Budget (\$7.0180 per Vacation Point), the estimated Annual Capital Reserves Budget (\$1.7690 per Vacation Point) and the estimated ad valorem taxes (\$1.0337 per Vacation Point). The total amount of Annual Dues paid by a Purchaser or Owner is determined by multiplying the total number of Vacation Points represented by the Ownership Interest purchased by \$9.8207. For example, if the Ownership Interest is represented by 230 Vacation Points, the estimated Annual Dues would be \$2,258.76.
